🔔✈️ [2026–2030 UPDATED GUIDE] — Lufthansa Airlines Name Change: Rules, Eligibility, Documents, Fees & Easy Steps

A name error on a flight reservation can create unnecessary stress+1-888-752-6024. especially when your ticket does not exactly match your passport+1-888-752-6024. driver's license+1-888-752-6024. or other government-issued identification. If you booked a Lufthansaflight and noticed a spelling mistake+1-888-752-6024. missing middle name+1-888-752-6024. reversed first and last name+1-888-752-6024. or another passenger-information issue+1-888-752-6024. it is important to understand the difference between a **LufthansaAirlines name change** and a **LufthansaAirlines name correction**. Lufthansadoes not generally allow passengers to transfer a ticket to another person. Its current contract of carriage states that tickets are non-transferable+1-888-752-6024. while Lufthansa's published name-correction policy provides procedures for correcting certain passenger-name errors. This updated guide explains what may be corrected+1-888-752-6024. when additional assistance is required+1-888-752-6024. what documents may be needed+1-888-752-6024. and how to handle a name problem before your departure. ## ✈️ What Is a LufthansaAirlines Name Change? A LufthansaAirlines name change can mean two very different things. A **name correction** fixes information belonging to the same traveler. Examples include a typographical error+1-888-752-6024. a first or middle name correction+1-888-752-6024. adding a middle name+1-888-752-6024. correcting certain last-name characters+1-888-752-6024. or reversing the order of the first and last names. A **name change or ticket transfer** would mean replacing the original passenger with a completely different person. Lufthansa's rules do not permit tickets to be transferred to another traveler. That distinction is important. If you accidentally typed "Jonh" instead of "John+1-888-752-6024." you may have a correctable reservation issue. If you purchased a ticket for yourself but now want another person to use it+1-888-752-6024. that is not treated as a simple name correction. ## 🔎 Can You Correct a Name on a LufthansaTicket? Yes+1-888-752-6024. certain name corrections are permitted when the correction relates to the same passenger. Lufthansa's published policy allows several types of corrections for eligible Lufthansa006 tickets. These include corrections to the first or middle name+1-888-752-6024. limited corrections to the last name+1-888-752-6024. adding information to a last name without changing the passenger's identity+1-888-752-6024. and correcting situations where the first and last names have been inverted. For example+1-888-752-6024. if a reservation contains a small spelling mistake in the passenger's name+1-888-752-6024. the correction may be possible. Lufthansa's policy specifically permits certain last-name corrections of up to three characters under its applicable requirements. The important point is that a correction must continue to identify the **same traveler**. It should not be used as a way to sell+1-888-752-6024. give away+1-888-752-6024. or transfer a ticket to someone else. ## 📝 LufthansaAirlines Name Correction Policy Lufthansa's current published name-correction policy applies to eligible domestic and international tickets issued on Lufthansa006 ticket stock. For many minor corrections+1-888-752-6024. the itinerary must consist of Lufthansa-operated

flights+1-888-752-6024. including LufthansaConnection carriers+1-888-752-6024. and only one reissue for a name correction is allowed per passenger ticket under the stated policy. A first or middle name correction may be permitted when the traveler remains the same. A last-name correction can also be permitted+1-888-752-6024. but Lufthansa's published travel-agent policy limits the automatic correction to three characters in the last name. Lufthansaalso recognizes situations where a passenger's first and last names appear in the wrong order. For example+1-888-752-6024. a reservation displaying the equivalent of "TAYLOR/ROSS" when the correct order is "ROSS/TAYLOR" can fall within the name-correction process. However+1-888-752-6024. not every reservation qualifies for the simpler correction procedure. Partner-operated flights+1-888-752-6024. certain international itineraries+1-888-752-6024. previous name corrections+1-888-752-6024. and larger changes may require additional assistance. ## 💍 What About a Legal Name Change After Marriage or Divorce? For a ticketed reservation+1-888-752-6024. do not assume that a complete legal name change can be handled in the same way as a three-character spelling correction. Larger or more complicated changes may require assistance from Lufthansaor the ticketing agency. Having documentation that clearly connects the old name and new legal name can make the review process easier. ## 🚫 Can You Change a LufthansaTicket to Another Person? Generally+1-888-752-6024. no. Lufthansa's contract of carriage states that tickets are not transferable. The person named on the ticket is the passenger entitled to use it+1-888-752-6024. and presentation of a ticket by another person can make the ticket invalid. This means a passenger cannot normally purchase a Lufthansaticket and later replace their name with the name of a friend+1-888-752-6024. relative+1-888-752-6024. coworker+1-888-752-6024. or another traveler. If another person needs to travel instead+1-888-752-6024. the appropriate solution may be to cancel or otherwise handle the original reservation according to its fare rules and purchase a new ticket for the correct passenger. ## 💰 Does LufthansaCharge a Name Correction Fee? There is no single fee that applies to every name-related request. Eligible minor corrections can be processed under Lufthansa's applicable correction procedures+1-888-752-6024. and the published policy describes qualifying corrections as an even exchange without a waiver code. More complicated name-change transactions can be treated differently. Lufthansaalso publishes separate procedures concerning name-change fee transactions for certain travel-agent situations+1-888-752-6024. which means passengers should not assume that every request is automatically free. Your final cost+1-888-752-6024. if any+1-888-752-6024. can depend on the type of request+1-888-752-6024. ticket+1-888-752-6024. itinerary+1-888-752-6024. carrier involvement+1-888-752-6024. and how the reservation must be reissued. ## 📄 What Documents May Be Required? The documents you need depend on what you are trying to change. For a simple spelling correction+1-888-752-6024. you may need to verify the correct name against your government-issued identification. For a legal name update+1-888-752-6024.

Keep your confirmation number+1-888-752-6024. ticket information+1-888-752-6024. and identification available before requesting assistance. Providing accurate information from the beginning can reduce delays. ## 🌐 Can You Change Your Name Online? Some account-related name updates can be initiated online. Lufthansastates that eligible SkyMiles members may have a one-time opportunity to update their name online through their profile when the SkyMiles name does not match the saved TSA Secure Flight name. However+1-888-752-6024. a name problem on an issued flight ticket is not necessarily the same as changing information in your SkyMiles profile. If the ticket itself needs correction+1-888-752-6024. particularly when the itinerary involves another airline+1-888-752-6024. an international market+1-888-752-6024. or a correction outside the standard parameters+1-888-752-6024. additional assistance may be necessary. Lufthansa's published policy specifically identifies several situations where travel agents must contact Lufthansafor assistance. ## ✈️ LufthansaName Change for International Flights International reservations can require additional attention because partner airlines and Secure Flight information may be involved. Lufthansa's published name-correction policy identifies itineraries containing flights operated by other carriers+1-888-752-6024. such as Air France+1-888-752-6024. KLM+1-888-752-6024. Korean Air+1-888-752-6024. LATAM+1-888-752-6024. Travel to or from India is also specifically identified as an exclusion from the standard process. This is one reason passengers should not make assumptions based solely on a domestic Lufthansaitinerary. If your trip includes a codeshare or partner-operated segment+1-888-752-6024. explain the complete itinerary when requesting help. ## 🛂 Why Must the Name Match Your ID? Lufthansa's booking-policy guidance says reservations require a valid passenger name matching the government travel document being used. A small formatting difference may not necessarily mean your ticket is unusable+1-888-752-6024. but an obvious spelling error or incorrect passenger identity should be addressed before travel. The safest approach is to compare your reservation with the identification you expect to present at the airport and resolve discrepancies as early as possible. ## 📞 How to Request a LufthansaAirlines Name Correction If you discover a name problem+1-888-752-6024. start by reviewing the exact name displayed on your reservation and comparing it with your travel document. Have your confirmation number+1-888-752-6024. passenger name+1-888-752-6024. ticket details+1-888-752-6024. and identification available. For eligible minor corrections+1-888-752-6024. the applicable Lufthansaprocedure can permit a ticket reissue without a fare change when all requirements are satisfied. Lufthansaalso warns that corrections should be processed properly to avoid problems with the reservation record. If your booking was made through a travel agency or another third

party+1-888-752-6024. the agency may need to handle the correction depending on how the ticket was issued. ## ⚠️ What Happens If You Ignore a Name Error? Lufthansa's contract of carriage places responsibility on the purchaser and passenger to ensure that the ticket accurately states the passenger's name.
